Counseling & Advising

The community of counselors and advisors at SWTJC would like to welcome all first time students and those who are returning. We are here to assist you in the process that it takes for you to achieve your educational goals. We look forward to helping you make your experience here a positive one.

With offices on the Crystal City, Eagle Pass, Del Rio, and Uvalde campuses, the Counseling Centers assist students with academic, technical, career, and personal concerns in ways consistent with their personal and educational goals, and in ways which benefit them currently and in the future.
